

GENERAL NOTES

- Steel structure fabrication shall comply with the requirements of steel bases of GB50431-2008.
- Unless otherwise specified, that units shall be as per following scheme:
- Where required, mounting area shall be provided on contact surface sides. Unless otherwise specified, mounting area shall follow according to below note: double for mounting.
- ② indicates assembly orientation mark.
- All dimensions and coordinates are in millimeters, elevations in meters.
- Only within dimension shall be followed, drawing shall not be scaled off.
- Test note to be provided as per document 4035-20-004-70000001.

Part list for one assembly marked: AC0001

Part No.	Qty	Profile	Material	Length (mm)	Unit	Weight (kg)	Area (m ²)	Q.ty tot
